Student Job Description - Engineering Tutor

PURPOSE
- Tutor individuals or small groups of College of Engineering students.
- Assist students in the deconstruction of barriers to their mastering course content.
- Help students develop and practice effective study strategies.
- Empower students to become independent, confident, and self-directed learners.

DUTIES AND RESPONSIBILITIES
- Tutor one to three nights per week Sunday through Thursday from 6:00-9:00pm.
  - Tutors will commit to the same scheduled night(s) throughout the course of the semester.
  - Tutors will receive excused absences for exams, illnesses, and emergencies. Tutors are expected to support their peers by covering shifts for excused absences when possible.
- Tutor multiple subjects and assist with additional subjects when able/needed.
  - Tutors will be assigned to cover certain subjects each night. However, tutors are expected to be flexible since fluctuate depending on student attendance. Being a team player is key.
- Adapt tutoring strategies to accommodate various learning and communication styles.
- Assist with creating and editing exam review videos, which will be posted online.
- Attend and actively participate in required staff trainings.
- Obtain tutor certification by attending New Tutor Training Day and participating in two developmental workshops each semester.
- Communicate with the Engineering Tutoring staff via email and Microsoft Teams.
- Monitor work hours to be compliant with 20-hour work limit for all University positions.

SUPERVISION
The Assistant Director of Academic Support supervises the Engineering Tutoring program. Lead Tutors serve in management and mentoring roles during evening hours.

QUALIFICATIONS
- Be enrolled as a student in the College of Engineering.
- Obtain a B+ or higher, preferably an A, in the desired courses for tutoring.
- Maintain good academic standing with a UI cumulative/semester GPA of 3.0 or higher.
- Demonstrate knowledge and competence in the subject matter tutored.
- Show excellent written and verbal communication skills.
- Employ a positive and respectful attitude in working with a diverse population.
- Collaborate as a member of a team, showing individual initiative and flexibility as needed.
- Maintain strict confidentiality regarding student records and conversations.

SALARY $10.00/hour

EMPLOYMENT PERIOD Academic Year, mid-August to mid-May

The College of Engineering is committed to building a welcoming and inclusive community of learning and scholarship with the support systems for all persons to thrive. We recognize that diversity enriches the educational experience when everyone has the opportunity to excel and have their contributions respected and valued. We strongly encourage engineering students from diverse backgrounds to apply for this position, including students of all races, national origins, colors, creeds, religions, sexes, ages, abilities, veteran status, sexual orientations, gender identities, and all other representations of diversity.
