

Faculty Funding Initiative: Summer Stipends & Support for EML Projects

Thank you for your interest in applying for summer funding to support Entrepreneurial Minded Learning (EML) projects.

Contact Information

- Name:
- Email:
- Department/Unit:

Funding Category (*check one or more*)

- Incorporate EML into a Course (Up to \$1,500)
- Develop a KEEN Card (\$500)
- Host a Workshop on EML-inspired Teaching (\$500)
- Request Additional Materials/Supplies Support (up to \$500)

Project Title:

Project Description

- *Please describe your planned activity (200–300 words). Include what you aim to do and why.*

EML Integration

- *Briefly explain how your project incorporates one or more elements of Entrepreneurial Minded Learning (curiosity, connections, and creating value). (150–250 words)*

Teaching Impact

- *How does this project contribute to your teaching goals and benefit students? (150–250 words)*

Budget (for Materials/Supplies requests only)

- *If requesting additional funds for materials/supplies, please list the items and approximate costs. (optional)*

Course or Audience Details (if applicable)

- Course name/number OR workshop/audience description

Timeline

- *Provide an estimated timeline for developing and implementing your project.*

Dissemination

- *Do you have ideas for sharing your work beyond your course (e.g., conference, publication, Engineering Unleashed)?*

Agreement

- I understand that, if awarded, I will submit a one-page summary describing the educational activity, key takeaways related to entrepreneurial mindset, and plans for future dissemination.
